Name: Dr. Mayur Davda

Date of Birth : 17/ 02/ 1984

Address: 1001, Yashomati CHS, Building 10, Shell Colony,
Sahakar Nagar 1, Chembur Mumbai 400071

Dental Registration Number: A - 14096 (Maharashtra University of Health Sciences)

CLINICAL EXPERIENCE:

I am an alumnus of Dr. D.Y Patil University School of dentistry graduated in 2007. I have my private practice since 2010 in Chembur by the name of Aum dental clinic.
(www.aumdentalclinic.com)

As a clinician I enjoy performing minimally invasive, endodontic, fixed prosthodontic & aesthetic procedures.

My core expertise would include:

1. Accurate diagnosis & treatment planning for patients needs
2. Basic skills like taking a radiography, prophylaxis, etc ..
3. Cavity preparations & minimally invasive restorations
4. Deep margin elevations
5. Tooth preparation - minimally invasive
6. Gingivoplasty/ Gingivectomy using electrocautery
7. Root canal treatments using hand and rotary files with precision using the best practices like apex location, through irrigation and its activation, 3 D obturation & post obturation fillings
8. Removable and fixed prosthodontics with more cases in metal free ceramic restorations
9. Laminate and veneers (Including 2 cases with 10 unit laminates)
10. Smile designing /DSD (Learnt in 2012 from Dr. Christian Coachman himself)
11. Metal free inlays / onlays / overlays

12. Accurate impression making using various materials & their techniques, with or w/o chord retraction & Digital impressions
13. Teeth whitening (Internal + external)
14. Pediatric care like pit & fissure sealants, Fluoride Varnish applications, pediatric endodontics & extractions.
15. Periodontal care like deep scaling, splinting of teeth & gingivectomy (using electrocautery only)
16. Oral surgical procedures like tooth extractions, management of dry socket, Incision & drainage & suturing.
17. ALL THE CONSERVATIVE DENTISTRY/ ENDODONTIC & PROSTHODONTIC CASES ARE DONE USING A RUBBER DAM.
18. Have a good experience (5 years) of using high magnification in the form of loupes (3.5 x to 6 x) and microscopes

TEACHING EXPERIENCE IN DENTAL PHOTOGRAPHY

Some of the podiums where I have lectured are IAACD, ICOI, Famdent, WDS, IDC, SOLA (Laser) Conference, World dental congress, Smile summit, PG conventions, many state and national dental conferences etc.

OTHER COURSES CONDUCTED

I have conducted courses on

- Animation designing
- Voice over / dubbing
- Blogging/ Vlogging
- Editing images
- Editing videos

For my followers in India

ENTREPRENEURIAL SKILLS

I have started my own training institute called Dental Photography School in 2013 and we are training dentists across the globe for documentation. Currently it is the leading institute of its kind for training & research in dental photography with more than 3500 dentists trained

We manufacture our own set of intra oral accessories called The Magic Box (more details here - www.dentalphotographyschool.in)

Way back in 2014 I had conducted the **WORLDS FIRST LIVE WEBINAR SERIES** called the dental webathon. It was a time when people did not know what a webinar is and we were way ahead of time. 6 years back we gathered 21 speakers across the globe and conducted an online conference for 75 delegates from 13 countries. The event was LIVE and had no pre recorded sessions. I had managed the entire event singlehandedly . Event platform - GoToWebinars.

About managing clinic, my staff & I have successfully managed to bring my clinic in the forefront with more than 2000 happy patients who give us the highest ratings based on our clinical skills, cleanliness & hospitality
